[How Does A Full-Grown Adult Develop A Cough Syrup Habit](#)

MAVALA
SWITZERLAND

A harmless product which can be used by adults and children over three years old. Apply a coat of Mavala Stop every day over the entire nail surface (even over your nail polish). Its distinct bitter taste will “warn” you not to put your fingers/nails into your mouth and will help you overcome the thumb sucking/nail biting habit.

*DISCOURAGES NAIL BITING
AND THUMB SUCKING*

[How Does A Full-Grown Adult Develop A Cough Syrup Habit](#)
